# Welcome & About

The LaVilla Orchestra Department is comprised of four levels of performance ensembles constructed over seven separate curriculums. The program's levels range from beginner all the way to extremely advanced.

The four performance levels are Concert, Sinfonia, Repertory, and Chamber Orchestras. The Sinfonia, Repertory, and Chamber Orchestras consistently receive Superior ratings at the annual Florida Orchestra Association's Concert Music Performance Assessment.

Members of the Chamber Orchestra regularly represent the LaVilla Orchestra Department at events across the community by invitation from the Superintendent, School Board, city officials, and community groups. The LaVilla Orchestra program boasts an entirely unique peer-mentor model that is highly successful and results in the cultivation of accomplished and sophisticated musicians, most of whom continue on to the nationally acclaimed Douglas Anderson School of the Arts Orchestra Program under the direction of Brian Griffin and Courtney Chrestensen.

The LaVilla Orchestra Program is fortunate to operate under a very supportive administrative team led by Principal Kimberly Harrison, who advocates tirelessly for us, and all of the arts areas here at LaVilla.

# Congratulations!

The LaVilla Orchestra Department would like to extend a special congratulations to the SIX students selected to participate in the 2026 Florida Orchestra Association's All-State Middle School Orchestra! # ASTA Performance

---

The LaVilla Chamber Orchestra has been invited to perform at the American String Teachers Association National Orchestra Festival in San Francisco in February!

We are thrilled about this prestigious accomplishment, and want to thank the 8th graders from the 2024-2025 LaVilla Chamber Orchestra family. The recording that was submitted for consideration was from our FMEA performance, in which the Chamber 8th graders played an integral role with their models of leadership, musicianship, and artistry.

We are thankful for your invaluable contribution to our legacy, our growth, and our continued opportunities to feature the excellence that you have helped cultivate.
